Your Honor:

This office represents Plaintiffs in the above- referenced matters. We write jointly with counsel for Defendants to request a 30 day extension to file Plaintiffs' motion for settlement to April 22, 2019. The reason for the request is because the parties will shortly circulate a draft agreement and will review and send it to the respective clients after review. Thus, we respectfully request a deadline of April 22, 2019 to submit Plaintiffs' motion for settlement. We thank the Court for its time and attention to this matter.

Respectfully Submitted,

/s/ Michael Faillace
